← ORIGINAL DRAFT

I changed nothing. This was also the final version~~~.

BOO

Take better care of my design!

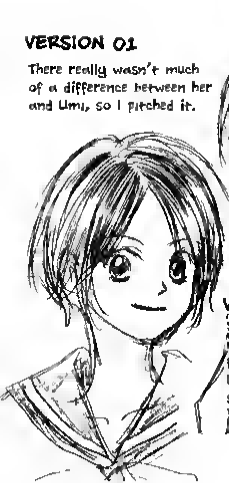
AIZAWA MIO
愛沢澪

I was pretty troubled about her hair style. But I think Version 02 would have been best.

(I still think so.)

VERSION 01

There really wasn't much of a difference between her and Umi, so I pitched it.



VERSION 02

She looked more mature than in the first version, but... Umi had short hair, so I had to pitch it *sob*.

FINAL VERSION

I decided her hair would be semi-long.
